

BRONTO SKYLIFT RESCUE LADDER PLATFORM

Performance just hit an all-new peak.

Bronto Skylift is now a Pierce exclusive.

Pierce is proud to be the official North American supplier of Bronto Skylift Rescue Ladder Platforms. Three models are available with 100 ft., 114 ft. and 134 ft. extensions on Pierce® Velocity™ and Arrow XT™ chassis.

Experience enhanced up-and-over and below-grade reach. Maneuver swiftly with a compact design yet spacious rescue platform. Increase your response in every situation.

Backed by the best service and support around.

Along with outstanding reach, articulation and swivel, each Bronto Skylift Rescue Ladder Platform comes equipped with the best-in-class Pierce dealer network and in-country, factory-direct Bronto technical support.

- Unmatched service and maintenance
- Comprehensive parts inventory
- Global 24/7 delivery
- Expert training and support

CAPABILITIES & CONFIGURATIONS
