

FRONTIER ATTACK 400 HOSE

A lightweight and durable hose designed for normal day to day wear and tear.

- Heavy interior liner for long life.
- Outer jacket comes three unique red strips and heavy yellow urethane coating for greater visibility and abrasion resistance. This treatment also greatly reduces moisture absorption through the jacket.
- Resistant to most chemicals, petrol products, ozone, UV exposure, hydrolysis, mildew, and rot
- Remains flexible to -55°C (-65°F)
